

The Saskatchewan Cancer Agency's Screening Program for Cervical Cancer (SPCC) creates cervical cancer screening educational resources for health-care providers and screening participants/patients. These resources can be found on the [SPCC health-care provider's resource website](#). This list of cervical health resources are external to the SPCC. It will be periodically reviewed and updated.

HPV Resources:

Health-Care Provider Resources:

HPV Global Action has resources in English, French, Spanish, Arabic, simplified Chinese, Malayalam, Greek, Hungarian, Italian, German, Hindi, Urdu, Portuguese, Armenian, Russian and Japanese: <https://hpvglobalaction.org/educational-resources>
